## Safen Simple

## <u>Instructions for Safe n Simple</u> <u>Ostomy Pouch Deodorant</u>

Fantastic odor control with no perfumes or artificial scents added for discreet protection. The blue colored formula helps to see the liquid inside the pouch.

## **INSTRUCTIONS FOR USE:**

After pouch change and each time pouch is emptied:

**Bottle:** add 8-12 drops into the bottom of the pouch and close pouch. **Gently rub sides of pouch together to distribute liquid throughout the pouch.** 

\*Note: For one piece closed end pouches:

**Do not remove release paper** from back of wafer/barrier until deodorant has been added.

Bottle: add 8-12 drops through pouch opening

Remove release paper from back of wafer/barrier and apply system as usual. Gently rub sides of pouch together to distribute liquid throughout the pouch.

**CAUTION: FOR EXTERNAL USE ONLY**
