

Subject: New Product Launch

NOW AVAILABLE!

Safe n Simple is pleased to introduce a new addition to our Ostomy accessory product line – **½ ARC Skin Barrier Strips**

½ Arc Skin Barrier Strips:

- A thin, waterproof hydrocolloid strip shaped as a ½ circle
- For use under the pouching systems as a foundation for adherence and protecting the skin from trauma of repeated application and removal of adhesive devices
- Using over the flange edge creates a picture frame to secure the edges from lifting, creasing or loosening.

This product is economically priced and ready for shipment. Please review the distributor information below which contains important product information.
